DEMO DATA — not a customer result

FeedPreflight · illustrative sample

Evidence recorded: 11 Nov 2026 12:00 UTC

Feed result: issues

2 products · US/general profile · 3 findings

Row / ID	Field	Level	Finding
1 / DEMO-01	gtin	error	GTIN length, digits or checksum is invalid; do not invent an identifier
2 / DEMO-02	availability	error	Use in_stock, out_of_stock, preorder or backorder
2 / DEMO-02	gtin	warning	Verify whether a GTIN or real brand + MPN is required for this product

Deterministic preflight checks, not Google policy clearance. Shipping, tax, images, account policy and full landing-page compliance require separate review.

Use the account history for the full machine-readable evidence. This report describes observations and does not guarantee service availability or commercial outcomes.
